Ways to Help Your Dancer Be Successful!

BIG

Prepare For Class!

Healthy snack 15-20 minutes before class.

Hydrate with water before class.

Use the restroom before class.

Keep dance clothes and shoes easy to find.

Follow hair and dress code.

Know dance class etiquette.

Encourage Practice At Home!

Practice routine choreography.

Practice class skills. Ask your child to demonstrate what they learned right after class so it stays fresh in their mind.

Stretch for flexibility, especially while watching TV.

Listen to class music and visual the movements as they go with the words or beat.

Communicate With Instructor!

Is your dancer struggling with choreography?

Has there been conflict with another dancer?

Is there a conflict in your schedule with an upcoming dance event?

Are you having trouble paying fees on time?

Has your dancer grown out of their shoes?

Do you need the class music sent again?
